“We all play our part to achieve excellence in everything”

Friday 8th January 2021

Dear Parents and Carers,

I am writing to thank you for the work that you are doing with your children at home. We all fully appreciate the challenges that you are facing and we realise that each family's circumstances are different.

We are all learning how to manage online learning to make it as meaningful as possible and we recognise that many of the technology platforms and Apps may be new to you. We are aiming to make communication with your class teacher as regular as possible, if you require help with accessing any of the learning then please do not hesitate to email or call your teacher.

Many of the tasks set are designed for children to do themselves but they may need help finding them or reading instructions.

If you are entitled to receive free school meals then I aim to post 4 weeks-worth of vouchers to you next week. (All infant children can have free school meals when the school is open but are not entitled to them when the school is closed).

As the virus worsens we all continue to play our part to keep everyone as safe as possible. These are extremely worrying times for us all and we hope and pray that our families and staff stay safe and well.

Kind regards

Miss Mary Dolan
Executive Headteacher
