

## Visitor responses to the Federation Art Exhibition June 2021

### Adult Responses

It was an absolute delight today to visit Salthouse Church and the exhibition of artwork from the Pilgrim Federation of Schools, thank you so much for putting this on and for opening it up to the public.

I was very interested as the children at youth group spoke to me about it last night and I'd also seen the poster by the school. I've shared it on the village Facebook page and I really hope many people visit.

Clare Williams

What wonderful art work and very thoughtful comments. We particularly enjoyed the imagery and words around the face masks and the hands with germs stuck on. Thank you for putting this exhibition on.

Best wishes

Tim & Jackie Groves

We visited the exhibition on Thursday. What a multidimensional experience. The layers of talent, expression, diversity, subject matter and colour both delighted and moved us. Well done to pupils, staff.....and you.

Regards,

Sylvia and Richard Bottomley

The art exhibition at Salthouse was absolutely fantastic and it was so lovely to walk round and see the wonderful pieces of work created by the children across the Federation.

It was a fabulous display depicting a range of art styles and mediums. I particularly liked and felt moved by the Splatter art with the pupils written thoughts outlining how the colours linked to the Covid pandemic. The descriptions and what they represented gave me goose bumps.

It was a truly magnificent display and the teachers and pupils should be very proud of what they have created and achieved, well done all.

Rachel Bould

What a fantastic display again this year. I really enjoyed looking at all the work and reading what the pupils said about it.

The pictures and models about the virus were fascinating and the way the topic work was expressed in art was wonderful. I enjoyed the camouflaged creatures and Blakeney drawing on the playground and relating the rain washing it off to washing their hands.

Thank you and everyone for all the hard work which has gone into this.

Helen Barnwell

I also visited the exhibition on Friday. I was amazed at the quality of the artwork & also the comments made by the children in talking about their work. Congratulations to all the children & staff who have made this such a successful experience for visitors.

Hilary Daley

It's all brilliant, you can all do things much better than I can. Well done to everyone.

Excellent representations of Covid making you all feel different things. So many different types of art. Art is all about different things, it's your interpretation. You should all be proud.

Another excellent exhibition with some super work. Great to see the different mediums used and the interesting comments made by the children about their creations. Well done to all the children, the staff and to Mary for staging it so well.

Paul Jolley

I just wanted to say how much we enjoyed our visit to the Federation Art Exhibition on 13th June. The pupils work was very impressive and it was interesting to see their reflections on the COVID pandemic.

Thank you to all the staff for their hard work in putting the exhibition on.
