SPORTS DAY

Date for your diary – 21st June at 1pm – 3pm. We do hope you will be able to join us for Sports Day.

SHERINGHAM BEACH TRIP

The whole school will be visiting Sheringham Beach on Tuesday 4th June. Letters have been sent home.

AFTERSCHOOL CLUBS

Just a reminder that all children who have signed up for the afterschool schools are expected to stay each week, unless we have been told in advance by parents that they can't stay on a particular day.

Baking and Gardening club will continue Monday 3rd June 2024.

OLLY DAY ROADSHOW

Olly Day will be visiting school to perform his road safety show to Class 2 and Class 3 on Monday 3rd June.

ART EXHIBITION

The whole school will be visiting the Art Exhibition at Salthouse Church on Tuesday 11th June. This is open to the public on Saturday 8th June and Sunday 9th June and you are welcome to view the pupils' work that will be on display.

HAVE A LOVELY HALF TERM!

Back to school, Monday 3rd June 2024.

“As God's children, we all play our part in making learning irresistible within our Federation communities.”

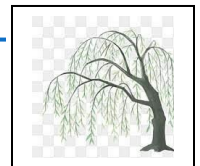

MAPLE CLASS

It's been burning up in Maple Class, so much so that we had to escape all the way to Norwich to Strangers' Hall. The building was quite old and the undercroft was made out of stone so we were relatively safe in there. The children enjoyed their day out learning more about the Great Fire of London from Lady Paine, and Steve the education coordinator. Many songs were sung, cars were counted and hands were waved as we braved our journey, but we returned in one piece and were all very happy to get some special Get Busy time at school. Once the classroom was a comfortable temperature again, we returned to learning about fractions in Year 1 and 2, and started looking at counting up to 20 in Reception. We have made a sharp turn into non-fiction writing, looking at fact books, information texts and started collating our own information for posters and leaflets about the GFoL. The children have been enjoying outdoor learning, making use of our new garden and enjoying bubbles and ice lollies in the sun. I wanted to say a quick well done to Maple Class for showing respect and compassion this week as we planted a memory garden and shared memories of loved ones who we miss.

WILLOW CLASS

This week in Class 2 the children spent one of their Art lessons outside and painted what they could see using water colours.

In Science we continued to explore forces and carried out an experiment to test different magnets to find out which was the strongest. They did this by finding out which magnet could pick up the most paper clips and then make a bar chart to show the results. In English we have been carrying on reading our current text Leon and the Place Between which has awoken their imagination and so far has been a brilliant class book. Much to their disappointment, we have been reading just a few pages at a time and they are always left with a cliff hanger, which we have been told is not fair as they are desperate to find out what happens to Leon!

ASH CLASS

The Year 6 Pupils entered a competition at Greshams School on Tuesday afternoon. The event was around STEAM (Science, Technology, Engineering, Arts and Maths). There were 15 teams from six schools. Most teams were in groups of 4.

They were tasked with...

Designing a ship out of foil that could hold as much weight as possible. Their ship held 1.9kg.

Zero Bots. They had to get the robot round the course. They were the only team to be successful.

'O' wings, to make an O wing to fly as far as possible. They only just won by centimetres.

With an emphasis on team work.

They are through to the final!

WE MOVED IT ALL!

A huge thank-you to all the people who helped move 8 tons of woodchip on Tuesday after school. Mr Snowdon and Mr Platt were greatly relieved when so many people came to help. It is really appreciated.

Thanks Team Kelling
