CHRISTMAS CAROL SERVICE/ASSEMBLY

On Friday 20th December at 8.50a.m. The children will be performing their Carol Service. You are invited to come along and enjoy our Carol Service in school. There will be no achievement assembly that morning. We look forward to seeing you all.

FEDERATION CHRISTMAS DISCO

We are holding a Federation Christmas Disco at Blakeney Village Hall on Friday 13h December 4pm –5.30pm. Tickets cost £2.00 and are available from the school office. There will be a limit on the number of children they can have in the hall so tickets will be on a first come, first served basis.

GENTLE REMINDERS

- The weather is changing. Please make sure your child brings a warm coat.
- Please can all children bring a water bottle to school for them to have during the day.

DONATE OLD TOYS FOR CLASS 1

If you have any plastic, unwanted toys that are good quality. Please can you bring them to the school office to be rehomed into Class 1.

SWIMMING

Year 5 will be swimming in the Spring Term, starting Wednesday 8th January 2025. Details to follow.

GRESHAMS CHAPEL

Well done to the fifteen KS2 children who participated in the Gresham singing event on Tuesday 3rd December in support of East Anglia's Children's Hospices (EACH).

We are so proud of you all for singing so confidently and beautifully (even when the music glitched for one of the songs, you did not falter). What an amazing group you were and fabulous ambassadors for Kelling school! Thank you also to all of the parents who came and supported us, allowing your children to take part. It was lovely to see so many of you there.

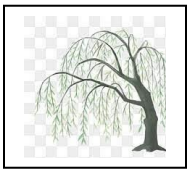

MAPLE CLASS

It's looking like Christmas has arrived in Maple Class… From wintery windows, a giant gingerbread house, and many chromatography snowflakes, it really does feel like Christmas. We have had a lot of excitement at school this week as we started the week with NFER papers in Year 2 and got to celebrate with an extra special treat. Today it is Christmas jumper day, craft morning and special Christmas lunch, which is always a hit! We have decorated cards for the local nurseries and care homes and the children have helped to make them super special. Maple Class finished off the afternoon with a Dojo reward of a disco party and then whole school nativity practice. Please could all nativity costumes come in as soon as possible so the children can have a few dress rehearsals.

WILLOW CLASS

In Willow Class this week we made our rainmakers and they turned out brilliantly! Our purpose was to make a working instrument and this was achieved by all - well done, you worked really hard!

We have continued with our German lessons, this week focusing on colours. The children put in so much effort in these lesson, working hard on their pronunciations and have clearly shown to have remembered so much of what has already been learnt. I have been very impressed with their enthusiasm in these lessons.

In Geography we learnt all about the Amazon and in the lesson the children looked at similarities and differences between the Amazon and another forest in the UK. Next week we will be looking at how we can protect the rainforest and why this is so important.

ASH CLASS

Last Friday Mrs Spencer organised a trip to Sheringham linked to the theme of the Americas. The children were completing a local study looking at land use in the town and the physical environment around Sheringham. They will then compare Sheringham to Death Valley in America.

The children completed a traffic survey, looked at building use on the High Street, the type of housing in the town and then focused on the coastline, including Beeston Bump. The class took pictures using the IPads to enhance their work. They generated a lot of information which they are now processing.

Once this has been completed the class will compare the information they have from Sheringham to their research of Death Valley. They were all excellently well behaved and a credit to the school.
