WORLD BOOK DAY

The whole school today all dressed up for world book day. There was a great variety of books and costumes. Photos are on the website.

MAPLE CLASS

In Maple Class we have been looking at exploring foods, cooking, and healthy bodies. So far we have taste tested different types of breads and made open sandwiches, started brushing our teeth, and talked about the importance of exercise. We have all sorts of cooking planned for this half term including pizzas, pastas, salads and dips. As a special treat, the whole school got together to make pancakes on Shrove Tuesday, and we talked about the significance of eating pancakes on this special day.

As the weather has been getting warmer, we have been able to venture outside for more of our learning and the children have been enjoying this, as well as the extra outdoor busy time… without coats! We have been thinking of ways to improve our outdoor area in Maple Class and we will soon have a new sandpit, with seating and lots of sand to play in, just in time for the sunshine.

Finally, it was World Book Day this week and we enjoyed dressing up as our favourite children's story book characters; from The Runaway Pea, to Mary Poppins, to The Mad Hatter, the classroom was filled with bookish individuals. In Maple Class, our costume winners were Effie (Paper Dolls), Cassie (Mrs Twit) and Poppy C (Mary Poppins). We came together as a whole school to take part in World Book Day activities in the morning, with a different task in each room, followed by a whole school re-enactment of "We're Going on a Bear Hunt" in the afternoon, with some new characters involved.

Supervised toothbrushing programme:

The children have got on fantastically with brushing their teeth this week. Please send the slip back in only if you wish to opt out. If you are happy for your children to continue brushing their teeth, twice a day at school, you do not need to do anything. Please continue to brush children's teeth at home, with a suitable brush and toothpaste.

Do you think you can help us?

We are refreshing the Maple Class outdoor area. Do you think you can donate any of the items in the photos below? Please could you drop these into school to help us? Thank you!

WILLOW CLASS

In English we have started reading our new book 'The Pied Piper' which the children have been enjoying. They have done some really great work alongside this such as creating a job advert for a ratcatcher!

We have been recapping what we learnt in German last term and this week focused on how to say what the weather is as well as what clothing you would wear. The children's pronunciation is always improving which is fantastic and they are all very keen learners of the language.

ASH CLASS

The Year Fives all returned happy but tired after their residential trip to How Hill. The three days were action packed and non-stop. They dissected owl pellets, journeyed on a river adventure, thatched a roof, visited the eel man cottage, went dyke dipping, expressed themselves in environmental art, used maps and a compass during orienteering and played hawks and blackbirds. In any spare time they had weaving to complete, had a talent show, a music quiz and watched the time lapse camera from the marsh. All the staff said that the children were a credit to the school and themselves. Well done.
